

July 2024

Kid's Take & Make Craft

1. Wrap the cardboard tube with the blue construction paper and glue it down.
2. Punch holes in the blue paper where it is needed two on the top of the cardboard and four on the bottom.
3. Tie the 12" white ribbon on the top as shown in image #3 below.
4. Tie the 2' strands on the bottom four holes two white and two red alternating each one.
5. Glue stars on blue construction paper.
6. Hang and enjoy.
